

The Mambo Craze

Check the scene outside of Medellin

Make a fuss in Caracas

Big cigars in dark Havana bars

Mambo slow Guantanamo

Was so glad escape in Trinidad

Upside down in Kingston town

Stole a car in the streets of Panama

Went too far in Bogota

Space cake break at the Titicaca lake

Got some more in Ecuador

Asked for a dance in a dive in Port-au-Prince

Went too far in Bogota

A little weak, a little pale today

Looks like it's time for that certain holiday

A little weak, a little pale today

A little weak, a little pale today
