

This Ain't Love
Joss Stone

**Please don't think that I owe ya
Look at what you put me through
If I had a chance to plan what I would say to you
I'd turn around so beautiful
And look you in the eye just to prove
I don't love you or need you
Clouding my mind
In darkness I'll find
Nothing at all, at all, at all
Baby can't you hear this sound
All the arguments are screaming out
This ain't love that we've found at all, at all
Baby won't you realize
You know that I'm not your prize
Why we wasting our time
To me you're nothing at all
Please don't think I'll forget ya
Nothing in the world could move
All the scars you gave me
Memories I just can't lose
If I had a chance to show ya
How it feels you know I would do
My best to test just how
Heartless you really are
To me you're nothing at all
To me you're nothing at all
At all, all
Baby can't you hear this sound
All the arguments are screaming out
This ain't love that we've found at all, at all
Baby won't you realize
You know that I'm not your prize
Why we wasting our time
To me you're nothing at all
To me you're nothing at all
Why don't ya, why don't ya
Leave me**

Go get out
Turn around
'Cause I got a mouth that'll knock you down
And when it's over you won't know what hit you
'Cause you'll be looking up at me from the ground
Won't you take the time to lay it all out on the table and figure this
out
Reality is staring us right in the face
I'm in a place I can't seem to turn around
Something's gotta give
We can start to live without having to shout so loud
Relationship's a trip with a lack of light
It's the time we need to get out
Get out
Get out
We need to get out
Baby can't you hear this sound
All the arguments are screaming out
This ain't love
This ain't love
This ain't love
Baby won't you realize
You know that I'm not your prize
Why we wasting our time
To me you're nothing at all
And this ain't love
This ain't love that we've found
See, I know love don't look like this
And I know love don't taste
Nothing like this, nothing at all
'Cause I've had enough
I've had enough of your lack of love
I've had enough of this bad taste
Had enough of you wasting my time
To me you're nothing at all
Nothing at all
